Re: Add Federal Lease U07064-027821 to Dugout Canyon Mine, Canyon Fuel Company, LLC, Dugout Canyon Mine, ACT/007/039-SR99D, Folder #2, Carbon County, Utah

Dear Ms. Kaiser and Messrs. Manus & Singh:

The Division has received, a proposal by Canyon Fuel Company to add Federal Lease U07064-02781 to their permit for the Dugout Canyon Mine. We have determined the application to be administratively complete and are forwarding copies of the revised plans to you for your review. We have not included the drill log information or the physical or chemical properties of the coal since they are marked confidential. If you are interested in this information, please contact us. We anticipate completing our review of this significant revision by October 29, 1999. Could you please provide your comments/concurrence on this permitting action by that date.

If you have any questions on this plan change, please call me (801) 538-5325 or Jim Smith at (801) 538-5262.

Sincerely,

Daron R. Haddock  
Permit Supervisor
